

Letter from Arthur McCurdy to Sarah Fuller, December 12, 1895

Beinn Bhreagh, 485 Victoria County, Cape Breton, N.S. Dec. 12th. 1895. Miss Sarah Fuller. Dear Madam:—

Some time ago I wrote asking for a proof of the matter in the printer's hands for fear something might happen to the one you sent Mr. Bell some time ago.

Mr. Bell has almost entirely rewritten the address but has not finished. He has marked up this proof so that I can hardly sent it back to the printer and I fear that he may not have time to complete the task of re-writing the whole thing; therefore, I would be very much obliged if you would send me a proof of the matter as it now stands in the printer's hands so that a few necessary corrections may be made in order that the address may be printed without further delay.

Many thanks for the pamphlet you sent my sister. All well here, only I have burned my right hand with flashlight powder

Yours sincerely AWMcCurdy
